## **Introduction**

Welcome to Yatra-Z, a comprehensive tourism website designed to enhance your travel experience. Yatra-Z connects travelers with local guides, promotes sustainable tourism, and preserves cultural heritage. This guidebook will help you navigate and make the most of the features available on Yatra-Z.

## **Features**

### **Booking**

Yatra-Z offers an easy-to-use booking system for trips, guides, and accommodations. You can book various services directly through our platform.

### **Travel Wiki**

Access a wealth of information about different destinations through our Travel Wiki. This feature provides detailed guides, historical facts, and travel tips.

## Interactive Map

Explore locations with our interactive map, which provides a visual representation of tourist spots, accommodations, and other points of interest.

## Customizable Itineraries

Plan your trip with our customizable itinerary feature. You can create, edit, and share your travel plans with others.

## Nepali Calendar and Clock

Stay updated with the Nepali calendar and current Nepali time. Our calendar feature ensures you don't miss out on any important dates during your trip.

## Translation Tools

Communicate easily with locals using our built-in translation tools. These tools help break the language barrier and make your travel experience smoother.

# Getting Started

## User Interface

The Yatra-Z user interface is designed to be user-friendly and intuitive. The main sections of the website include:

- **Home Page:** Overview of the website features and latest updates.
- **Booking:** Book trips, guides, and accommodations.
- **Travel Wiki:** Access detailed information about destinations.
- **Interactive Map:** Explore tourist spots and points of interest.
- **Itineraries:** Create and manage your travel plans.
- **Nepali Calendar and Clock:** Stay updated with the Nepali calendar and current time.
- **Translation Tools:** Use our built-in tools to communicate with locals.

## Booking a Trip

To book a trip, follow these steps:

1. Navigate to the "Booking" section.
2. Select the type of service you want to book (trip, guide, accommodation).
3. Fill in the required details such as destination, dates, and preferences.
4. Review the available options and select your preferred choice.
5. Complete the booking process by making the payment.

## Using the Travel Wiki

The Travel Wiki provides detailed information about various destinations. To use this feature:

1. Navigate to the "Travel Wiki" section.
2. Search for your desired destination.
3. Explore the available information, including historical facts, travel tips, and guides.

## Exploring the Interactive Map

The interactive map allows you to visually explore different locations. To use the map:

1. Navigate to the "Interactive Map" section.
2. Use the search bar or zoom in/out to find specific locations.
3. Click on markers to view more information about tourist spots, accommodations, and other points of interest.

## Creating Custom Itineraries

To create and manage your itineraries:

1. Navigate to the "Itineraries" section.
2. Click on "Create New Itinerary."
3. Add destinations, activities, and other details to your itinerary.
4. Save and share your itinerary with others.

## Staying Updated with the Nepali Calendar and Clock

To stay updated with the Nepali calendar and current time:

1. Navigate to the "Nepali Calendar and Clock" section.
2. View the current date and time in Nepal.
3. Use the calendar to keep track of important dates and events during your trip.

## Utilizing Translation Tools

To use the built-in translation tools:

1. Navigate to the "Translation Tools" section.
2. Select the language you want to translate to/from.
3. Use the text or voice translation feature to communicate with locals.

## Contact Information

For any inquiries or support, you can reach us at:
